

Established in 1928, the Whitby Chamber of Commerce united local professionals with the purpose of advocating for their rights, compiling resources and doing business together. By connecting local businesses, the Whitby Chamber of Commerce fosters a thriving business community through **connection**, **learning** and **leadership**.

Get a head start
on growing
your network!

With more than 80 events a year, from informal get togethers to creative after hours events, there is something for everyone: People are more likely to do business with someone they know. Attend WCC events to **connect** with entrepreneurs, business owners, industry experts and potential investors.

Polish your networking skills, **learn** from inspiring speakers and stay up-to-date on the latest news in your local business community. The WCC provides a wide range of real world learning opportunities.

Lead the way in your field by staying one step ahead of your peers. Tap into a pool of potential job prospects and kick start your career!

Only \$30/year
while enrolled
as a student!
